Dear President,

I am writing on behalf of the IMMAF Disciplinary Committee regarding a grave breach of IMMAF statutes by Ms. Madeleine Fagerlind, Vice President of the Swedish MMA Federation.

We have received official complaints stating that Ms. Fagerlind is participating in the 2024 GAMMA European MMA Championship (U18) held from May 12 to 19 in Slovakia, an event organized by a non-affiliated organization. This directly violates Article 9, Section 8 of the IMMAF statutes.

We require the immediate attention of the Swedish MMA Federation to address this matter. Please provide the following:

1. A detailed explanation for the unauthorized participation of Ms. Fagerlind.
2. Any supporting documents or evidence that may contextualize or mitigate the breach.
3. An outline of the steps your federation intends to take to rectify this breach and prevent future occurrences.

We expect a full response within 7 working days from the date of this notice. Failure to comply may result in disciplinary actions, including sanctions or suspension, as deemed appropriate under IMMAF statutes.

Your cooperation in upholding the standards and integrity of the sport of MMA is crucial. We appreciate your prompt attention to this matter.

Sincerely,

**Jason Brown**
